

AUTHOR/TITLE INDEX TO VOL. 26

[Page numbers with the "B" prefix refer to the independently paginated "Mineral Books" issue, July-August (vol. 26, no. 4).]

ADAMS, FRANK DAWSON

Medieval mineralogy **26:B23-42**

ADUI

Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**

ALABASHKA

Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**

ALUMINO-FLUORIDES

Alumino-fluorides from the Morefield pegmatite, Amelia County, Virginia (by L. E. Kearns) **26:551-556**

AMETHYST

Amethyst on milky quartz from Hopkinton, Rhode Island (by J. Rakovan, D. B. Mitcheltree, L. D. Benton & S. Avella) **26:83-89**

ARABIC LITERATURE

Gem minerals in early Arabic literature (by W. J. Sersen) **26:B43-48**

ARIZONA

Topaz rhyolites in Arizona and the southwest [U.S.] (Abstract) (by D. M. Burt) **26:67**

The Finch mine and vicinity, Gila County, Arizona (by K. D. Smith) **26:439-448**

ATHENS

A mineral exhibition in Athens [Greece] (by T. Moore) **26:95-102**

AUSTRALIA

A new occurrence of mrazekite from Benambra, Victoria, Australia (by W. D. Birch, D. A. Henry & A. Pring) **26:107-113**

AVELLA, SAL

with J. Rakovan, D. B. Mitcheltree & L. D. Benton: Amethyst on milky quartz from Hopkinton, Rhode Island **26:83-89**

BARCELONA SHOW 1994

Bilbao and Barcelona Shows 1994 (What's new in minerals? column) (by M. Calvo) **26:146**

BENAMBRA

A new occurrence of mrazekite from Benambra, Victoria, Australia (by W. D. Birch, D. A. Henry & A. Pring) **26:107-113**

BENTON, LAURIE D.

with J. Rakovan, D. B. Mitcheltree & S. Avella: Amethyst on milky quartz from Hopkinton, Rhode Island **26:83-89**

BERYL

Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**

BILBAO SHOW 1994

Bilbao and Barcelona Shows 1994 (What's new in minerals? column) (by M. Calvo) **26:146**

BIRCH, WILLIAM D.

with D. A. Henry & A. Pring: A new occurrence of mrazekite from Benambra, Victoria, Australia **26:107-113**

BOLIVIA

The Bolivian death switch (by R. H. Currier) **26:195-200**

BOOKPLATES

An introduction to bookplates, with examples from the Earth Science Library of Herbert P. Obodda (by L. H. Conklin) **26:B143-158**

BOOK REVIEWS

Geology: An Annotated Bibliography (reviewed by S. E. Pober) **26:B159-160**

Meisterwerke Sächsischer Minerale (reviewed by W. E. Wilson) **26:231-232**

Minerals: An Illustrated Exploration of the Dynamic World of Minerals and Their Properties (reviewed by W. A. Henderson) **26:232**

Amethyst (reviewed by Q. Wight) **26:232-233**

Mineralien und Fundstellen Deutschland (reviewed by M. O'Donoghue) **26:231-232**

Humboldt's Travels in Siberia (1837-1842): The Gemstones (reviewed by W. E. Wilson) **26:233-234**

Boaxmina: Magazine of the Mineral Deposits and Mineralogy of Spain (reviewed by W. E. Wilson) **26:234**

MINLOG (reviewed by P. B. Leavens) **26:235**

Les Anciennes Mines de Pudem-Montgallard (Aude): Geologie, Histoire et Minéralogie (reviewed by Q. Wight) **26:235-236**

Los Minerale y la Minería de la Sierra Albarana y su Entorno (reviewed by J. R. Parraga) **26:236**

Mineral & Erz in den Hohen Tauern (reviewed by M. O'Donoghue) **26:236**

Die Mineralien und Erzlagerstätten Österreichs (reviewed by M. O'Donoghue) **26:236**

Die Mineralien von Hagendorf und ihre Bestimmung (reviewed by M. O'Donoghue) **26:236-237**

Handbook of Mineralogy (reviewed by P. J. Dunn) **26:563**

Bergmännische Geduldflaschen (reviewed by W. E. Wilson) **26:563**

BOOKS

Collecting mineral books: An introduction (by L. H. Conklin) **26:B9-22**

Medieval mineralogy (by F. D. Adams) **26:B23-42**

Gem minerals in early Arabic literature (by W. J. Sersen) **26:B43-48**

A brief history of systematic mineralogies (by R. Jameson) **26:B49-64**

Fabien Gautier d'Agoty and his *Histoire Naturelle Régne Minéral* (1781) (by W. E. Wilson) **26:B65-76**

Philip Rashleigh and his *Specimens of British Minerals* (1797 and 1802) (by R. W. Jones) **26:B77-84**

James Sowerby, his publications and collections (by L. H. Conklin) **26:B85-105**

Nickolay Ivanovich Koksharov and his *Mineralogie Russlands* (1853-1891) (by W. E. Wilson) **26:B106-111**

Regional mineralogies of the world (by A. E. Smith, Jr.) **26:B112-134**

The saga of *Mineral Digest* (by L. Zara) **26:B135-142**

An introduction to bookplates, with examples from the Earth Science Library of Herbert P. Obodda (by L. H. Conklin) **26:B143-158**

The Mineralogical Record Library (by W. E. Wilson) **26:B161**

BRIGGS, PAUL H.

with E. E. Foord, W. Chirside & F. E. Lichte: Pink topaz from the Thomas Range, Juab County, Utah **26:57-60**

BURT, DONALD M.

Topaz rhyolites in Arizona and the southwest [U.S.] (Abstract) **26:67**

CALIFORNIA

Occurrences of blue topaz in the pegmatites of the Peninsular Batholith, San Diego County, California (Abstract) (by J. Fisher) **26:66**

CALVO, MIGUEL

Bilbao and Barcelona Shows 1994 (What's new in minerals? column) **26:146**

CARLIN-TREND

The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada (by M. C. Jensen, J. C. Rota & E. E. Foord) **26:449-469**

CHIRNSIDE, WILLIAM

with E. E. Foord, A. M. Davis, F. E. Lichte & K. J. Esposito: A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah **26:123-128**

with E. E. Foord, F. E. Lichte & P. H. Briggs: Pink topaz from the Thomas Range, Juab County, Utah **26:57-60**

CLOPTON, EDWIN L.

with R. P. Richards & J. A. Jaszczak: Pyrite and marcasite intergrowths from northern Illinois **26:129-138**

COLORADO

Colorado topaz (Abstract) (by P. J. Modreski & T. C. Michalski) **26:65**

CONKLIN, LAWRENCE H.

Collecting mineral books: An introduction **26:B9-22**

An introduction to bookplates, with examples from the Earth Science Library of Herbert P. Obodda **26:B143-158**

James Sowerby, his publications and collections **26:B85-105**

COOK, ROBERT B.

The occurrence of topaz in the southeastern United States (Abstract) **26:64**

COOPER, MICHAEL P.

Munich Show 1994 (What's new in minerals? column) **26:141-146**

CROCK, JAMES G.

with E. E. Foord, L. L. Jackson, J. E. Taggart & T. V. V. King: Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) **26:69-71**

CRYSTAL CHEMISTRY

Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) (by E. E. Foord, L. L. Jackson, J. E. Taggart, J. G. Crock & T. V. V. King) **26:69-71**

CRYSTAL GROWTH

Inhibited growth of crystals (by W. A. Henderson) **26:201-203**

CRYSTALLIZATION

Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) (by E. E. Foord, L. L. Jackson, J. E. Taggart, J. G. Crock & T. V. V. King) **26:69-71**

CURETON, FORREST

with G. W. Robinson, V. T. King & J. A. Scovil: World review of mineral discoveries 1993-1994 **26:475-499**

CURRIER, ROCK HENRY

The Bolivian death switch **26:195-200**

D'AGOTY

See Gautier d'Agoty

DAVIS, ANDREW M.

with E. E. Foord, W. Chirside, F. E. Lichte & K. J. Esposito: A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah **26:123-128**

DEFINITION

Definition of a mineral (by E. H. Nickel) **26:437-438**

DISCOVERIES

World review of mineral discoveries 1993-1994 (by G. W. Robinson, V. T. King, J. A. Scovil & F. Cureton) **26:475-499**

DUNN, PETE J.

Book review: *Handbook of Mineralogy* **26:563**

ERICKSSON, SUSAN C.

and P. H. Ribbe: Where's the proton? Symmetry and structure variations in topaz (Abstract) **26:69**

ESPOSITO, KENNETH J.

with E. E. Foord, W. Chirside, A. M. Davis & F. E. Lichte: A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah **26:123-128**

FAMOUS MINERAL LOCALITIES

Famous mineral localities: the Kupishi mine, Zaire (by J. J. Lhoest) **26:163-192**

FINCH MINE

The Finch mine and vicinity, Gila County, Arizona (by K. D. Smith) **26:439-448**

FISHER, JESSE

Occurrences of blue topaz in the pegmatites of the Peninsular Batholith, San Diego County, California (Abstract) **26:66**

FOORD, EUGENE E.

with W. Chirside, A. M. Davis, F. E. Lichte & K. J. Esposito: A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah **26:123-128**

with W. Chirside, F. E. Lichte & P. H. Briggs: Pink topaz from the Thomas Range, Juab County, Utah **26:57-60**

with L. L. Jackson, J. E. Taggart, J. G. Crock & T. V. V. King: Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) **26:69-71**

with M. C. Jensen & J. C. Rota: The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada **26:449-469**

FRANCIS, CARL A.

with C. S. Hurlbut, Jr. & L. C. Pitman: Euhedral¹ sialite crystals from Sri Lanka **26:91-94**

and L. C. Pitman: The occurrence of topaz in northern New England pegmatites (Abstract) **26:64**

FRIENDS OF MINERALOGY COLUMN

Activities around the country (by M. H. Weber) **26:201-203**

GEM MINERALS

Gem minerals in early Arabic literature (by W. J. Sersen) **26:B43-48**

GEMOLOGY

Items of North American mineralogical and gemological note during 1994 (Abstract) (by M. Gray) **26:71**

GOLD QUARRY MINE

The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada (by M. C. Jensen, J. C. Rota & E. E. Foord) **26:449-469**

GRAY, MICHAEL

Items of North American mineralogical and gemological note during 1994 (Abstract) **26:71**

GREAT BRITAIN

Philip Rashleigh and his *Specimens of British Minerals* (1797 and 1802) (by R. W. Jones) **26:B77-84**

GREECE

A mineral exhibition in Athens [Greece] (by T. Moore) **26:95-102**

HENDERSON, WILLIAM A.

Book review: *Minerals: An Illustrated Exploration of the Dynamic World of Minerals and Their Properties* **26:232**

Inhibited growth of crystals (Microminerals column) **26:201-203**

HENRY, DERMOT A.

with W. D. Birch & A. Pring: A new occurrence of mrazekite from Benambra, Victoria, Australia **26:107-113**

HOPKINTON

Amethyst on milky quartz from Hopkinton, Rhode Island (by J. Rakovan, D. B. Mitchell, L. D. Benton & S. Avella) **26:83-89**

HURLBUT, CORNELIUS S., JR.

with L. C. Pitman & C. A. Francis: Euhedral sinhalite crystals from Sri Lanka **26:91-94**

IDAHO

Notes on the occurrence of topaz in Idaho (Abstract) (by L. R. Ream) **26:65-66**

Topaz from the Sawtooth Batholith, Idaho (Abstract) (by M. A. Menzies) **26:66**

ILLINOIS

Pyrite and marcasite intergrowths from northern Illinois (by R. P. Richards, E. L. Clopton & J. A. Jaszczak) **26:129-138**

INFRARED SPECTRA

Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) (by E. E. Foord, L. L. Jackson, J. E. Taggart, J. G. Crook & T. V. V. King) **26:69-71**

INTERNATIONAL MINERALOGICAL ASSOCIATION

New minerals recently approved by the Commission on New Minerals and Mineral Names, International Mineralogical Association (by J. A. Mandarino) **26:117-122, 26:569-571**

JACKSON, LARRY L.

with E. E. Foord, J. E. Taggart, J. G. Crook & T. V. V. King: Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) **26:69-71**

JAMESON, ROBERT

A brief history of systematic mineralogies (by R. Jameson) **26:B49-64**

JASZCZAK, JOHN A.

with R. P. Richards & E. L. Clopton: Pyrite and marcasite intergrowths from northern Illinois **26:129-138**

JENSEN, MARTIN C.

with J. C. Rota & E. E. Foord: The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada **26:449-469**

JONES, ROBERT W.

Philip Rashleigh and his *Specimens of British Minerals* (1797 and 1802) **26:B77-84**

KEARNS, LANCE E.

Alumino-fluorides from the Morefield pegmatite, Amelia County, Virginia **26:551-556**

KING, TRUDE V. V.

with E. E. Foord, L. L. Jackson, J. E. Taggart & J. G. Crook: Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) **26:69-71**

KING, VANDALL T.

with G. W. Robinson, J. A. Scovil & F. Curreton: World review of mineral discoveries 1993-1994 **26:475-499**

KIPUSHI MINE

Famous mineral localities: the Kipushi mine, Zaire (by J. J. Lhoest) **26:163-192**

KOKSHAROV, NICKOLAY IVANOVITICH

Nickolay Ivanovitch Koksharov and his *Mineralogie Ruslands* (1853-1891) (by W. E. Wilson) **26:B106-111**

LEAVENS, PETER B.

Book review: *MINLOG* [software] **26:235**

LETTERS

Postage stamp brookite (Q. Wight) **26:155-156**
Earthquakes and minerals (T. C. Wallace) **26:156**
Burnese vanadinite (J. Fisher) **26:156**
French Creek (D. M. Morong) **26:156**
Customer profiles (C. C. Rich) **26:156**
Vivianite/Ludlamite (A. Petrov) **26:156-157**
Laurium (Greek Assoc. of Min. & Foss. Coll.) **26:157**
Copper roses (M. L. Wilson) **26:157**
Postal problem (B. Rieck) **26:157**
First Choice Minerals (D. Leicht, M. Tarachow) **26:157**

Martin Ehrmann (S. Wilensky, P. W. Pohwat, T. Srenics) **26:157, 26:159**
Verzeihung! (Editor) **26:159**
Minerals of South Africa **26:159**
Errata **26:159**

LHOEST, JOSEPH J.

Famous mineral localities: the Kipushi mine, Zaire **26:163-192**

LIBRARIES

The Mineralogical Record Library (by W. E. Wilson) **26:B161**

LIBRARY

An introduction to bookplates, with examples from the Earth Science Library of Herbert P. Obodda (by L. H. Conklin) **26:B143-158**

LICHTE, FREDERICK E.

with E. E. Foord, W. Chirnside & P. H. Briggs: Pink topaz from the Thomas Range, Juab County, Utah **26:57-60**

with E. E. Foord, W. Chirnside, A. M. Davis & K. J. Esposito: A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah **26:123-128**

LLEWELLYN, BETTY HALFF

Died, Betty Halff Llewellyn (Obituary) (by W. E. Wilson) **26:434**

LYCKBERG, PETER

Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) **26:67-69**

MANDARINO, JOSEPH A.

New minerals recently approved by the Commission on New Minerals and Mineral Names, International Mineralogical Association **26:117-122, 26:569-571**

MARCASITE

Pyrite and marcasite intergrowths from northern Illinois (by R. P. Richards, E. L. Clopton & J. A. Jaszczak) **26:129-138**

MEDIEVAL

Medieval mineralogy (by F. D. Adams) **26:B23-42**

MENZIES, MICHAEL A.

Geology and occurrence of well-crystallized topaz (Abstract) **26:69**

The mineralogy, geology and occurrence of topaz **26:5-53**

Topaz from the Sawtooth Batholith, Idaho (Abstract) **26:66**

MICHALSKI, THOMAS C.

with P. J. Modreski: Colorado topaz (Abstract) **26:65**

MICROMINERALS COLUMN

Inhibited growth of crystals (by W. A. Henderson) **26:201-203**

MILKY QUARTZ

Amethyst on milky quartz from Hopkinton, Rhode Island (by J. Rakovan, D. B. Mitchell, L. D. Benton & S. Avella) **26:83-89**

MINERAL

Definition of a mineral (by E. H. Nickel) **26:437-438**

MINERAL BOOKS

Mineral Books [Special Issue, vol. 26, no. 4, 192 p. Articles in this issue, which was paginated independently from the rest of vol. 26, are indicated by the "B" prefixed to the page numbers.]

MINERAL DIGEST

The saga of *Mineral Digest* (by L. Zera) **26:B135-142**

MINERAL DISCOVERIES

World review of mineral discoveries 1993-1994 (by G. W. Robinson, V. T. King, J. A. Scovil & F. Curreton) **26:475-499**

MINERALOGY

Items of North American mineralogical and gemological note during 1994 (Abstract) (by M. Gray) **26:71**

MINERAL SHOWS

A mineral exhibition in Athens [Greece] (by T. Moore) **26:95-102**

MINERAL STORIES COLUMN

Quartz discredited (B. Jones) **26:505**

Be kind to the tourists (A. Smith) **26:505-506**

The rare gypsum (P. Freeman) **26:506**

Stamp of disapproval (J. K. McKenna) **26:506-507**

The Grenzgrat sale (L. H. Conklin) **26:507**

Remote sensing (J. D. Hallahan) **26:507**

The Taxco silvers (J. & I. Klein) **26:505**

Red Cloud coincidence (W. Mann) **26:505**

The mysterious missing staurolite (L. H. Conklin) **26:506**

A beryl find (C. B. Sclar) **26:566-567**

The best deals passed by (A. Smith) **26:567-568**

MINETTE, JAMES W.

Died, Vincent Morgan (Obituary) **26:434-435**

MITCHELL, DAVID B.

with J. Rakovan, L. D. Benton & S. Avella: Amethyst on milky quartz from Hopkinton, Rhode Island **26:83-89**

MODRESKI, PETER J.

with T. C. Michalski: Colorado topaz (Abstract) **26:65**

MOORE, THOMAS P.

Denver Show 1994 (What's new in minerals? column) **26:147-153**

A mineral exhibition in Athens [Greece] **26:95-102**

Springfield Show 1995 (What's new in minerals? column) **26:581-583**

Tucson Show 1995 (What's new in minerals? column) **26:215-230-153**

MOREFIELD PEGMATITE

Alumino-fluorides from the Morefield pegmatite, Amelia County, Virginia (by L. E. Kearns) **26:551-556**

MORGAN, VINCENT

Died, Vincent Morgan (Obituary) (by J. W. Minette) **26:434-435**

MRAZEKITE

A new occurrence of mrazekite from Benambra, Victoria, Australia (by W. D. Birch, D. A. Henry & A. Pring) **26:107-113**

MUNICH SHOW

Munich Show 1994 (What's new in minerals? column) (by M. P. Cooper) **26:141-146**

MURSINKA

Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**

NEVADA

The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada (by M. C. Jensen, J. C. Rota & E. E. Foord) **26:449-469**

NEW ENGLAND

The occurrence of topaz in northern New England pegmatites (Abstract) (by C. A. Francis & L. C. Pitman) **26:64**

NEW MINERALS

New minerals recently approved by the Commission on New Minerals and Mineral Names, International Mineralogical Association (by J. A. Mandarino) **26:117-122, 26:569-571**

A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah (by E. E. Foord, W. Chirnside, A. M. Davis, F. E. Lichte & K. J. Esposito) **26:123-128**

NICKEL, ERNEST H.

Definition of a mineral **26:437-438**

NORTH AMERICA

Items of North American mineralogical and gemological note during 1994 (Abstract) (by M. Gray) **26:71**

OBODDA, HERBERT P.

An introduction to bookplates, with examples from the Earth Science Library of Herbert P. Obodda (by L. H. Conklin) **26:B143-158**

ODONOGHUE, MICHAEL

Book review: *Die Mineralien und Erzlagerstätten Österreichs* **26:236**

Book review: *Die Mineralien von Hagenborn und ihre Bestimmung* **26:236-237**

Book review: *Mineral & Erz in den Hohen Tauern* **26:236**

Book review: *Mineralien und Fundstellen Deutschland* **26:231-232**

PARRAGA, JUAN R.

Book review: *Los Minerales y la Minería de la Sierra Albarana y su Entorno* **26:236**

PEGMATITES

The occurrence of topaz in northern New England pegmatites (Abstract) (by C. A. Francis & L. C. Pitman) **26:64**

Occurrences of blue topaz in the pegmatites of the Peninsular Batholith, San Diego County, California (Abstract) (by J. Fisher) **26:66**

- Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**
- Alumino-fluorides from the Morefield pegmatite, Amelia County, Virginia (by L. E. Kearns) **26:551-556**
- PENINSULAR BATHOLITH**
Occurrences of blue topaz in the pegmatites of the Peninsular Batholith, San Diego County, California (Abstract) (by J. Fisher) **26:66**
- PITMAN, LAWRENCE C.**
— with C. A. Francis: The occurrence of topaz in northern New England pegmatites (Abstract) **26:64**
— and C. S. Hurlbut, Jr. & C. A. Francis: Euhedral sinhalite crystals from Sri Lanka **26:91-94**
- POBER, STEPHEN E.**
Book review: *Gemology: An Annotated Bibliography* **26:B159-160**
- POLITYKA, JOSEPH**
New Jersey Show 1995 (What's new in minerals? column) **26:575-576**
- PRING, ALLAN**
— with W. D. Birch & D. A. Henry: A new occurrence of mrazekite from Benambra, Victoria, Australia **26:107-113**
- PYRITE**
Pyrite and marcasite intergrowths from northern Illinois (by R. P. Richards, E. L. Clopton & J. A. Jaszczak) **26:129-138**
- QUARTZ**
Amethyst on milky quartz from Hopkinton, Rhode Island (by J. Rakovan, D. B. Mitcheltree, L. D. Benton & S. Avella) **26:83-89**
- RAKOVAN, JOHN**
— and D. B. Mitcheltree, L. D. Benton & S. Avella: Amethyst on milky quartz from Hopkinton, Rhode Island **26:83-89**
- RARE-EARTH ELEMENTS**
A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah (by E. E. Foord, W. Chirside, A. M. Davis, F. E. Lichte & K. J. Esposito) **26:123-128**
- RASHLEIGH, PHILIP**
Philip Rashleigh and his *Specimens of British Minerals* (1797 and 1802) (by R. W. Jones) **26:B77-84**
- REAM, LANNY R.**
Notes on the occurrence of topaz in Idaho (Abstract) **26:65-66**
- REGIONAL MINERALOGIES**
Regional mineralogies of the world (by A. E. Smith, Jr.) **26:B112-134**
- RHODE ISLAND**
Amethyst on milky quartz from Hopkinton, Rhode Island (by J. Rakovan, D. B. Mitcheltree, L. D. Benton & S. Avella) **26:83-89**
- RHYOLITES**
Topaz rhyolites in Arizona and the southwest [U.S.] (Abstract) (by D. M. Burt) **26:67**
- RIBBE, PAUL H.**
— and S. C. Erickson: Where's the proton? Symmetry and structure variations in topaz (Abstract) **26:69**
- RICHARDS, R. PETER**
— and E. L. Clopton & J. A. Jaszczak: Pyrite and marcasite intergrowths from northern Illinois **26:129-138**
- ROBINSON, GEORGE W.**
— and V. T. King, J. A. Scovil & F. Cureton: World review of mineral discoveries 1993-1994 **26:475-499**
- ROTA, JOSEPH C.**
— with M. C. Jensen & E. E. Foord: The Gold Quarry mine, Carlin-Trend, Eureka County, Nevada **26:449-469**
- RUSSIA**
Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**
- Nikolay Ivanovitch Koksharov and his *Mineralogie Russlands* (1853-1891) (by W. E. Wilson) **26:B106-111**
- RUTILE**
A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah (by E. E. Foord, W. Chirside, A. M. Davis, F. E. Lichte & K. J. Esposito) **26:123-128**
- SAWTOOTH BATHOLITH**
Topaz from the Sawtooth Batholith, Idaho (Abstract) (by M. A. Menzies) **26:66**
- SCOVIL, JEFFREY A.**
Cincinnati Show 1995 (What's new in minerals? column) **26:578**
Costa Mesa Show 1995 (What's new in minerals? column) **26:579**
Rochester Mineralogical Symposium 1995 (What's new in minerals? column) **26:576-578**
— with G. W. Robinson, V. T. King & F. Cureton: World review of mineral discoveries 1993-1994 **26:475-499**
- SERSEN, WILLIAM JOHN**
Gem minerals in early Arabic literature (by W. J. Sersen) **26:B43-48**
- SINHALITE**
Euhedral sinhalite crystals from Sri Lanka (by L. C. Pitman, C. S. Hurlbut, Jr. & C. A. Francis) **26:91-94**
- SMITH, ARTHUR E., JR.**
Regional mineralogies of the world **26:B112-134**
- SMITH, BILL**
— and C. Smith: A guide to mineral localities in the former Soviet Union **26:517-549**
- SMITH, CAROL**
— with B. Smith: A guide to mineral localities in the former Soviet Union **26:517-549**
- SMITH, KYLE DAVID**
The Finch mine and vicinity, Gila County, Arizona **26:439-448**
- SOUTHEASTERN UNITED STATES**
The occurrence of topaz in the southeastern United States (Abstract) (by R. B. Cook) **26:64**
- SOUTHWESTERN U.S.**
Topaz rhyolites in Arizona and the southwest [U.S.] (Abstract) (by D. M. Burt) **26:67**
- SOVIET UNION**
A guide to mineral localities in the former Soviet Union (by B. Smith & C. Smith) **26:517-549**
- SOWERBY, JAMES**
James Sowerby, his publications and collections (by L. H. Conklin) **26:B85-105**
- SRI LANKA**
Euhedral sinhalite crystals from Sri Lanka (by L. C. Pitman, C. S. Hurlbut, Jr. & C. A. Francis) **26:91-94**
- STRUCTURE VARIATIONS**
Where's the proton? Symmetry and structure variations in topaz (Abstract) (by P. H. Ribbe & S. C. Erickson) **26:69**
- SYMMETRY VARIATIONS**
Where's the proton? Symmetry and structure variations in topaz (Abstract) (by P. H. Ribbe & S. C. Erickson) **26:69**
- SYSTEMATIC MINERALOGIES**
A brief history of systematic mineralogies (by R. Jameson) **26:B49-64**
- TAGGART, JOSEPH E.**
— with E. E. Foord, L. L. Jackson, J. G. Crock & T. V. V. King: Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) **26:69-71**
- THOMAS RANGE**
Pink topaz from the Thomas Range, Juab County, Utah (by E. E. Foord, W. Chirside, F. E. Lichte & P. H. Briggs) **26:57-60**
- TOPAZ**
The mineralogy, geology and occurrence of topaz (by M. A. Menzies) **26:5-53**
Pink topaz from the Thomas Range, Juab County, Utah (by E. E. Foord, W. Chirside, F. E. Lichte & P. H. Briggs) **26:57-60**
The occurrence of topaz in northern New England pegmatites (Abstract) (by C. A. Francis & L. C. Pitman) **26:64**
The occurrence of topaz in the southeastern United States (Abstract) (by R. B. Cook) **26:64**
Colorado topaz (Abstract) (by P. J. Modreski & T. C. Michalski) **26:65**
Notes on the occurrence of topaz in Idaho (Abstract) (by L. R. Ream) **26:65-66**
Occurrences of blue topaz in the pegmatites of the Peninsular Batholith, San Diego County, California (Abstract) (by J. Fisher) **26:66**
Topaz from the Sawtooth Batholith, Idaho (Abstract) (by M. A. Menzies) **26:66**
Topaz rhyolites in Arizona and the southwest [U.S.] (Abstract) (by D. M. Burt) **26:67**
- Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**
- Geology and occurrence of well-crystallized topaz (Abstract) (by M. A. Menzies) **26:69**
- Where's the proton? Symmetry and structure variations in topaz (Abstract) (by P. H. Ribbe & S. C. Erickson) **26:69**
- Topaz: Environments of crystallization, crystal chemistry, and infrared spectra (Abstract) (by E. E. Foord, L. L. Jackson, J. G. Crock & T. V. V. King) **26:69-71**
- TOPAZ VALLEY**
A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah (by E. E. Foord, W. Chirside, A. M. Davis, F. E. Lichte & K. J. Esposito) **26:123-128**
- UNION OF SOVIET SOCIALIST REPUBLICS**
A guide to mineral localities in the former Soviet Union (by B. Smith & C. Smith) **26:517-549**
- URAL MOUNTAINS**
Topaz and beryl-bearing gem pegmatites of the Alabashka-Mursinka-Adui district in the Ural Mountains, Russia (Abstract) (by P. Lyckberg) **26:67-69**
- UTAH**
Pink topaz from the Thomas Range, Juab County, Utah (by E. E. Foord, W. Chirside, F. E. Lichte & P. H. Briggs) **26:57-60**
A new U-Ti-Ca-HREE hydrated oxide and associated niobian rutile from Topaz Valley, Utah (by E. E. Foord, W. Chirside, A. M. Davis, F. E. Lichte & K. J. Esposito) **26:123-128**
- VIRGINIA**
Alumino-fluorides from the Morefield pegmatite, Amelia County, Virginia (by L. E. Kearns) **26:551-556**
- WEBER, MARCELLE H.**
Activities around the country (Friends of Mineralogy column) **26:201-203**
- WEISS, JEAN-PAUL**
Notes from Madagascar (What's new in minerals? column) **26:579-581**
- WHAT'S NEW IN MINERALS?**
Munich Show 1994 (by M. P. Cooper) **26:141-146**
Bilbao and Barcelona Shows 1994 (by M. Calvo) **26:146**
Denver Show 1994 (by T. Moore) **26:147-153**
Tucson Show 1995 (by T. Moore) **26:215-230**
World review of mineral discoveries 1993-1994 (by G. W. Robinson, V. T. King, J. A. Scovil & F. Cureton) **26:475-499**
New Jersey Show 1995 (by J. Polityka) **26:575-576**
Rochester Mineralogical Symposium 1995 (by J. A. Scovil) **26:576-578**
Cincinnati Show 1995 (by J. A. Scovil) **26:578**
Costa Mesa Show 1995 (by J. A. Scovil) **26:579**
Notes from Madagascar (by J.-P. Weiss) **26:579-581**
Springfield Show 1995 (by T. Moore) **26:581-583**
- WIGHT, QUINTIN**
Book review: *Amethyst* **26:232-233**
Book review: *Les Anciennes Mines de Padem-Montgaillard (Aude): Géologie, Histoire et Minéralogie* **26:235-236**
- WILSON, WENDELL E.**
Book review: *Bergmännische Geduldflachen* **26:563**
Book review: *Bocamina: Magazine of the Mineral Deposits and Mineralogy of Spain* **26:234**
Book review: *Humboldt's Travels in Siberia (1837-1842): The Gemstones* **26:233-234**
Book review: *Meistenerker Sächsischer Minerale* **26:231-232**
Fabien Gautier d'Agoty and his *Histoire Naturelle Rogné Minéral* (1781) (by W. E. Wilson) **26:B65-76**
The Mineralogical Record Library **26:B161**
Nikolay Ivanovitch Koksharov and his *Mineralogie Russlands* (1853-1891) **26:B106-111**
Notes from the editor **26:2, 26:82, 26:434-435, 26:514, 26:B7-8**
- WORLD REVIEW**
World review of mineral discoveries 1993-1994 (by G. W. Robinson, V. T. King, J. A. Scovil & F. Cureton) **26:475-499**
- ZAIRE**
Famous mineral localities: the Kipushi mine, Zaire (by J. J. Lhoest) **26:163-192**
- ZARA, LOUIS**
The saga of *Mineral Digest* **26:B135-142**
